***The following information will help you have a safe and enjoyable visit:***

1. The Group Leader should check in at the market immediately upon arrival.
2. For safety reasons everyone must remain seated during the hayride.
3. Inform members of your party to remain close to your assigned bonfire site. It is dangerous to wander around in dark, unfamiliar places. Children must remain under close supervision.
4. Bring your own picnic supplies including food, trash bags, and marshmallow roasting sticks.
5. Make plans to clean up your site before departure, bring trash bags and take all trash with you upon departure, or place it in the dumpster located behind the greenhouse. Extra wood can be purchased for \$5.99 per bundle.
6. **Alcoholic beverages are not permitted on the farm**, and restitution must be made for any damage done by your group.
7. Group members are advised to bring **flashlights**, especially those who have difficulty with balance and sight. Many of the bonfire locations are dark and the ground is uneven.
8. Township zoning regulations, and consideration for our neighbors, requires that all visitors must depart the farm prior to 11:30 pm.
9. Plan to arrive at least 15 minutes prior to the scheduled time of departure, and inform all members of your party... A late departure will result in a shorter hayride because the wagons are committed to another group, one hour after your scheduled departure time.
10. The person making this reservation is responsible for insuring all members of their party know and comply with the above requirements.

**DEPOSIT REFUND POLICY:** (1) Hayrides must be cancelled 30 days prior to the scheduled date to receive deposit refunds. (2) Hayrides cancelled because of rain that evening may be rescheduled. Deposits will be returned for rained-out hayrides if they are not rescheduled. Dress warmly for low temperatures, wind, and snow flurries – Deposits won't be returned for these conditions.
