Come and Celebrate our Grand Greenhouse Opening!

You are invited to the Grand Opening of our new Greenhouse Complex that will grow all the plants that you love, and the many new ones that you'll fall in love with. There will be music, Refreshments, excitement, gifts, raffles every hour, classes, greenhouse tours and other special events.

At our **Grand Opening** on April 29 and 30, we will feature several terrific classes for beginning gardeners, such as **Soil 101**, **Selecting and Planting Trees and Shrubs**, **Expert Pruning Advise**, **Perennial Plant Selection for the Beginner**, and **Basic Landscaping 101**. Reilly's wants everyone to experience the heart-and-soul satisfaction that can be found in a garden.

Give a Friend the Gift of Gardening

Many of you are already very accomplished gardeners and you could teach many of these classes. But you may have a friend who is a novice and would profit from some solid advice, or a new neighbor who needs help with plantings. We have a gift for you to give them. Below is **a ten dollar certificate** that you can give to a new gardener or, someone who has never visited Reilly's Garden Center. For introducing this new customer to us (via this gift certificate), we will send you **10 Reilly's Rewards Dollars**, and our heartfelt thanks when your friend redeems the coupon. Give a friend this gift and help spread the joy of gardening. If you have more than one friend who is a new gardener, feel free to duplicate this coupon.
